Addendum 1

Qualifying and Final Series Formats

1. INTRODUCTION

1.1. This addendum applies when boats are divided into flights/fleets to sail a qualifying series and a final series.

2. QUALIFYING SERIES

2.1. Initial assignments will be made by the race committee and will be posted by 2000 on the evening prior the first race. Boats will be assigned to flights of, as near as possible, equal size.

2.2. In the qualifying series boats will be reassigned to flights after each day of racing.

2.3. If all flights have completed the same number of races, boats will be reassigned on the basis of their ranks in the series. If all flights have not completed the same number of races the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all flights.

2.4. Reassignments will be made as follows:

	Two flight format	Three flight format	Four flight format
Rank in Series	Flight Assignment	Flight Assignment	Flight Assignment
1st	Yellow	Yellow	Yellow
2nd	Blue	Blue	Blue
3rd	Blue	Red	Red
4th	Yellow	Red	Green
5th	Yellow	Blue	Green
6th	Blue	Yellow	Red
7th	Blue	Yellow	Blue
And so on			

2.5. Reassignments will be based on the ranking available at 2100 that day regardless of protests or requests for redress not yet decided.

2.6. If all flights have not completed the same number of races by the end of a day, the flights with fewer races will continue racing the following day until all flights have completed the same number of races. All boats will thereafter race in the new flights.

2.7. If four races have not been completed on the second day of the qualifying series, the qualifying series will continue until the end of the racing day in which a fourth qualifying race is completed.

2.8. If at the end of the qualifying series some qualifying series flights have more race scores than others, any extra races will be abandoned so that all boats in the qualifying series have the same number of race scores.

3. SCHEDULE – replaces NoR RACE SCHEDULE

Friday July 1	Qualifying series
Saturday July 2	Qualifying series
Sunday July 3	Qualifying / Final series
Monday July 4	Qualifying / Final series

3.1. A qualifying series race will not count until all qualifying series flights have completed that race.

3.2. The qualifying series races and the final series races will count for total points in the championship.

3.3. If five or more qualifying series races have been complete, the worst qualifying series race score will be excluded when calculating the division into final series fleets.

3.4. If only one final series race is completed it will not be excluded.

3.5. If two or more final series races are completed, then a maximum of one final series race score may be excluded.

3.6. For the purposes of RRS A5.2 “Scoring” the number of boats entered in a qualifying series race will be the number of boats assigned to the largest qualifying flight.
