7. Description Of Incident

As we were coming into mark 4 in race 5, we were on port, overlapped with the Brazilians who were also on port, entering into the three boat length zone. We then gybed to starboard and remained overlapped, and Brazil did not give us room to round the mark so we had to abruptly head up and pass behind them to avoid collision. Brazil broke rule 18.2 by not giving room to the inside boat that was overlapped at mark 4 in race 5.

8. Damage Or Injury
