7. Description Of Incident

In this race start, we started on starboard closer to the pin end of the line, but with video footage, we are able to see that when the visual signal at the committee boat is given, with the flag starting to come down, we were not yet at the line and in fact it is possible to see another Canadian boat more advanced than our boat. With those facts, we would like to request a revision of score, by submitting the video as evidence.

Thank you for your consideration
