7. Description Of Incident

USA was coming into the start from behind GRE when USA established overlap with GRE. GRE started to head down to a reaching angle towards USA. USA called leeward however GRE did not head up for at least 7 seconds. USA avoided contact through keeping a two foot distance on a reaching angle when she wanted to head up to upwind. USA hailed protest because rule 11 was broken because GRE as the windward boat failed to keep clear. At the gun, GRE headed up more than 30 degrees at an upwind angle showing that they could have kept clear.

8. Damage Or Injury

None
