7. Description Of Incident

The BRA Formula Kite Male Board and Helmet do not show the Nationality Flags as required in Class Rule C.3.2.b.2.ii. and C.7.4. The issue was raised during equipment inspection, by pointing on other boards with the correct stickers applied, however there has been a language barrier but after pointing it out it was considered as understood. In general stickers have to be ordered in advance of the event to be applied by the athletes.

The helmet is showing the national flag of BRA but not to Formula Kite standards.

After Race 5 a sticker with the BRA national flag has been applied to the board, which is not to the IKA standard but the only available and as close to the standard as possible which enables a better identification of the BRA Formula Male Board.
