7. Description Of Incident

When entering the 3 boat lengths I observed that only the boat 214228 was overlapped. Boat 211130 was clear of my stern and 214228s stern at this point. I proceed to the mark, leaving myself and 214228 space to round the mark. As I pointed up to round the mark, the boat 211130 made contact with the side of my boat, damaging it. After making contact my boat was forced head to wind and through the wind onto starboard. I was then hit on the bow by a boat attempting to round the mark on port. I then hailed protest.

8. Damage Or Injury

Damage to the bow, and the port side
