RE: Approval to Test Proposed Rule – 16 skiff associations

The 16 ft skiff associations have applied for approval to test the definition of zone in accordance with *Rule 86.3* of the Racing Rules of Sailing and the Australian Sailing Prescription.

- The definition of zone to be changed from three hull lengths to 25 meters.

Pursuant to Rule 86.3, Australian Sailing approves changes to the definition of zone for duration of the current rule book but may be repealed earlier. The change may only be applied to races involving 16 skiffs, but not to mixed fleet racing.
