## 7. Description Of Incident

I was sailing on starboard, and i was on my Layline.

Alexia Fancelli, was leeward and behind me, we were overlapped.

Gisela pulido was windward of me and we were also overlapped. Alexia fancelli started to luff to get up, and asked me to keep clear, so I ask to Gisela Pulido (That was windward than me) to lift her kite.

I kept clear of alexia fancelli and gisela did the opposite thing. She put down her kite she didnt keep clear of me. Because of that our kites touched and i fell in the water and lost so many positions.
