## 7. Description Of Incident

### Description in Scoring Inquiry:

Ernst definately started in race no 2. We think he passed the finishline before the 20-minute window. He should at least have dnF in today's first race.

After the finish he went straight to the starting line without eating or stoppning. We saw him round the leeward start boat, not far after the race started and think he may have made the 2 minute window. Please check! Then he abondoned race no3 on the first leg and told a support boat.

And thank you for good races today!

### RC Response:

As recorded on voice recorder in 2nd race SWE4587 cross the finishline 23 minutes after opening. Correct score DNF. In 3rd race SWE4587 didn't cross the finishline. Also checked on video recording. Correct score DNF.
