**Other Comment:**

## 7. Description Of Incident

After he broke rule 11 he started shouting in vulgar language. Bad words is actually not enough to describe what he said. After he stopped and did his penalty. Then he later crossed me in the race from behind and continued to talk to me in a really bad way. I will say the exact words in the jury room if i am asked because i don't want to write them here where everybody can see them

## 8. Damage Or Injury
