7. Description Of Incident

We (IRL 22) approached the course-right gate mark on starboard as CZE 3086 approached on port. We were overlapped with their stern and as we approached, CZE 3086 closed the gap and forced us to suddenly point up to avoid direct collision to their port side. We called protest and ensured CZE 3086 was aware, however CZE 3086 refused to take any penalty turn.
