7. Description Of Incident

I was sailing down the leg between mark 3 and the finish line when I saw HKG 30 behind me and catching up, when he overlapped me on my windward side, I yelled "Windward boat keep clear!" He maintained his course and we sailed parallel. When I wanted to go on a higher course, I said Windward boat keep clear one more time, and then gave him sufficient time to prepare before I luffed up, when I lost a severe the way, and then his sail crashed onto me I then beared away and as a result couldn't foil

8. Damage Or Injury

I could not foil and as a result could not overtake the boats in front of me.
