4. Changes to Sailing Instructions

4.1. Any change to the sailing instructions will be posted on the Official Notice Board at least one hour before the advertised warning signal of the race or races concerned, and signaled by displaying flag L ashore (SI 5).

5. Signals Made Ashore

5.1. Signals displayed over a class flag apply to that class only.

5.2. If Flag L is displayed (A notice to competitors has been posted) it will be flown with a numeral pennant indicating the latest notice posted.

Flag	Description
D 	Boats may not launch until Flag D is displayed over their class flag with a sound signal. The warning signal will be made not less than 30 minutes after Flag D is displayed and not before the scheduled time, whichever is later.
AP 	Flag AP may be displayed ashore to signify racing is postponed. Should AP be displayed with a Class Flag, the postponement will apply only to the fleets whose Class Flags are displayed. When Flag AP is displayed ashore race signal AP is changed in that, Flag AP displayed without a numeral pennant means Racing is postponed indefinitely. D flag will be displayed soon after AP is removed. This changes race signal AP.

6. Format of Racing
