7. Description Of Incident

I (SWE 3) and Belgium 1015, sailed for starboard. 1015 was around one boat lengths in from of me and slightly above. It was a small group of sailors coming from port, where everyone except FIN 879 tacked and moved out of the way. FIN 879 ducked for Belgium 1015, but didn't move out of the way for me, which forced me to change course to avoid collision.
