7. Description Of Incident

I found out that I have DSQ from race number one. According the list I got yellow flag on last reach to finish line in race numbe one.

But I am 100% sure I was not penalised, there was also no one penalised even close to me on that leg.

I finished that race third. I was after CRO 219774 and before UKR 217791 (CRO 189016 who win the race was ufd).

Those two guys - Croatian and Ukrainin can be my witness that there was no penalty around us for that whole leg. It was quite peaceful reach. I already knew that I can't gain or lose any place...

I am asking for redress from that race so that I get my finished result - third (respectively second) position.
