## 7. Description Of Incident

late last night around 10.30 pm I saw that I was classified as dsq in race 2 following protest no. 4. Yesterday, as soon as I returned ashore I immediately filled out the self-penalty form by entering my contact details (phone and email). I kindly ask for the reopening because I was unable to participate in the protest and I have a witness who can prove that we has completed the 360 self-penalty as soon as possible.
