7. Description Of Incident

Race committee validated race 1 in each fleet in such tricky conditions. Results are not representative, ranking is random and have influence for the rest of the all tour. A lot of riders didn't finish the race even top riders from international ranking. I personally after performing the Jybe at the top mark there were not enough wind and I spend more than 5 min to start. I believe it was an unfair race and I ask to cancel it.
