## 7. Description Of Incident

I (198109) was on startbord tack and 222173 was on port tack. He did not do anything to avoid a possible collision and I had to tack onto port. This resulted in me colliding with another boat (210820). I then said protest to 222173 and did a 720 degree turn for contact with 210820. I did not see 222173 do any penalty turns
