7. Description Of Incident

At three boat lengths, three boats including us quite close together approaching mark overlapped giving each other room. 4988 came in on port not overlapped calling for room at the mark, all the boats hailed "no room" they (4988) continued around the mark. We all tried to avoid them round the mark but they made no effort to avoid and came down on to our boat and we were sandwiched between 4988 and a boat on the outside of us causing a mild collision between us. We hailed protest at 4988 and apologised to the boats outside us.
