## 7. Description Of Incident

It was the last downwind in the 4th race , we(3259) were right before rounding the last mark when the boat 2202 came from leeward and leaned over. The mast from the boat 2202 broke through the top part of our main sail and amazed it badly.

## 8. Damage Or Injury

Main sail is ripped at the top. The boat 2202 has accepted that they caused the damage. For insurance purposes we need to file a protest. We don't seek to disqualify 2202 or give them penalties.
