7. Description Of Incident

We, GER 36, were sailing on starboard tack ten meters away from mark 1 on the right layline. GBR 333 was on starboard tack windward from us. We overlapped with half a boatlength. Distance from our starboard wing to his port wing was half a meter. We were closing in because we were faster. A boatlength from mark 1 GBR 333 suddenly beared away and pushed with his bow against our bow (contact) so that we had to bear away as well to avoid further damage. Because of that we touched the mark with our port side.

8. Damage Or Injury

none
