7. Description Of Incident

IRL 1604 suffered a head injury by a boom in dinghy park. Resulting from another competitors coach releasing the boom while powered up. IRL 1604 was rushed to hospital immediately for treatment and scans and therefore could not participate in racing. Also worth noting that it was not possible for IRL 1604 to meet the protest time limit as they were only released from the hospital afterwards. IRL 1604 is looking to seek redress because of the events outlined above.
