## 7. Description Of Incident

Arriving at the mark astern of 666, both boats went for a gibe-set with 449 on the outside.

666 exited the set with a tangled up gennacker. 449 accelerated and had now overlapped with 666 with approx. 5m lateral distance, 666 did not keep clear from 449 after rule 11.

Instead, 666 kept its bow down to release pressure from the gennacker in order to sort it, resulting in a collision course with 449 which had to bear away to prevent a collision, now sailing directly next to 666.

After showing the red flag and hailing "Protest", the Jury arrived and showed the Blue flag.
