## 7. Description Of Incident

I was sailing downwind on starboard focused on my angle and speed, I looked a bit to the right and saw CHN 10 coming full speed on port not giving me room.

I did my best to avoid contact.

her kite took my right side of my bridle so all my kite collapsed in the water.

During my crash I fell with my arm on the board.

## 8. Damage Or Injury

My arm was hurting for the rest of the day making it hard to control the kite.
