

## **R.Y.C.C. Savoia – Napoli**

### **Eastern Hemisphere Championship 2022**

**Current conditions:** the anticyclonic area that affects the Gulf Naples is experiencing a gradual weakening. However, fair weather is expected in the next hours. Actually, the sky is clear and winds are very light.

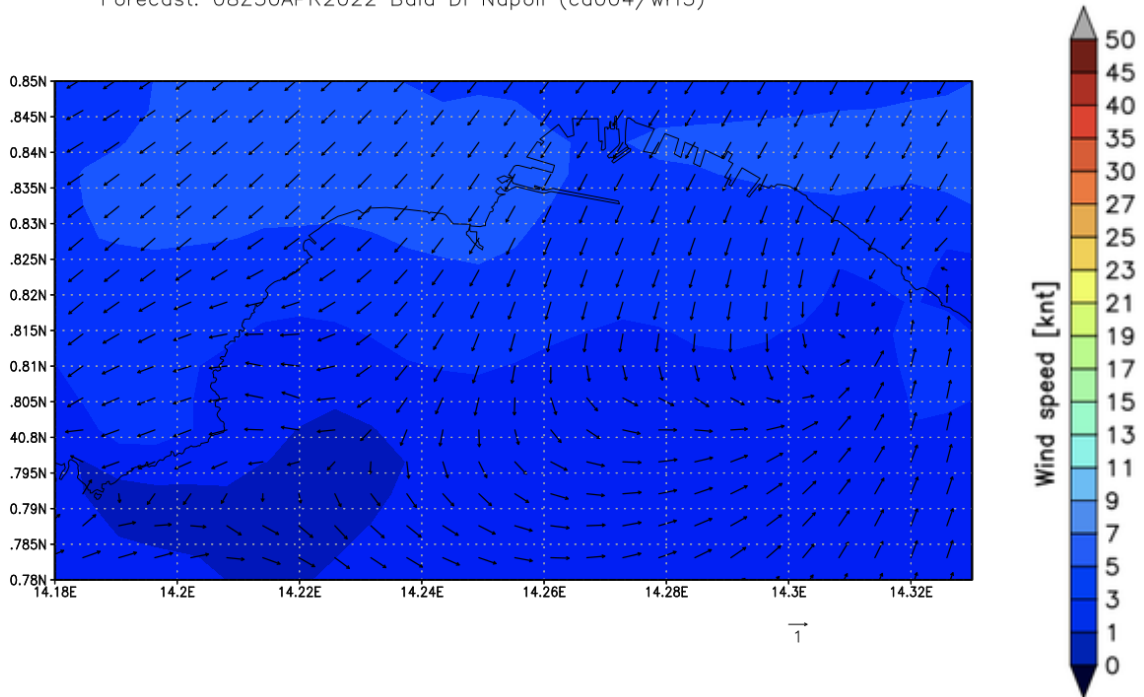

**Weather Forecast for April 30, 2022:** on race area, sunny conditions will occur. From late morning, the diurnal sea breeze will modulate the wind regime. More specifically, from 12:00 PM an average wind speed ranging between 7 and 10 knots is expected, with gusts up to 17-20 knots. The winds will blow from south-western until 1:00 PM, then they'll turn from west. Air temperature will be between 18 and 21°C. Smooth sea is expected.
