Notice to Competitors

Number: 01

Source: Protest Committee

Venue: All Race Courses

Published: 24 Aug 13:42

Notice:

The Protest Committee would like to remind all competitors that:

Appendix G of the Racing Rules of Sailing makes it clear that sail numbers must be clearly displayed on all mainsails, spinnakers and headsails above a certain size.

If the Race Committee does not give a boat a finish time because no sail number is clearly visible, redress in a subsequent hearing probably cannot be given.

Should a boat be protested by a fellow competitor, the Race Committee or the Protest Committee, and is found to have broken a rule of Appendix G, then the Protest Committee .."shall either warn her and give her time to comply or penalise her".

Please would all competitors take this as a friendly warning. They are asked to use their best endeavours to comply with Appendix G.

Chief Judge
