7. Description Of Incident

I would like to request to see the video of the starting line on race 2. I believe that I was a few seconds before the gun and also my coach went to ask the race officer after everyone started if there were any UFD board and the head of the race officer responded her back saying there were no UFD's so far. After seeing the result this morning, it showed that I was UFD.

8. Damage Or Injury
