- 5.2.2 Not more than one race per fleet may be sailed ahead of schedule at the discretion of the race committee.
- 5.2.3 Not more than a total of 8 races per fleet will be sailed per day.

6 ACT FORMAT AND SCORING

A COURSE RACING

- 6.1 One race for all fleets is required to be completed to constitute an event.
- 6.2 The format will be a Single Series.
- 6.2.1 The Single Series may be divided into a Qualifying Series and a Final Series.
- 6.2.2 When there is a Final Series, it will be scheduled for the two last racing days.
- 6.2.3.1 When the format includes a Qualifying Series:
- On the first day of racing, kiteboards will be assigned to fleets yellow, blue, red etc., of, as nearly as possible, equal size and ability. Assignments will be made by the race committee based on the kiteboards' current standing in the world ranking and will be posted at least 30 minutes before the first warning signal is made. Those assignments will not be grounds for redress. This changes RRS 62.1(a).
 - Kiteboards will be reassigned to fleets after each day of racing, except if on the first day only one race is completed. If all fleets have completed the same number of races, kiteboards will be reassigned on the basis of their ranks in the series. If all fleets have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets. For three fleets, and similarly for any other number, reassignments will be made as follows:

First	Yellow
Second	Blue
Third	Red
Forth	Red
Fifth	Blue
Sixth	Yellow
Seventh	Yellow

etc.

- c) Reassignments of fleets will be based on the ranking available at 2100 on the day before they take effect, regardless of pending hearings.
 - d) If all fleets have not completed the same number of races by the end of a day, the fleets with fewer races will continue racing the following day until all fleets have completed the same number of races. All kiteboards will thereafter race in the new fleets.
 - e) If at the end of the Qualifying Series some kiteboards have more race scores than others, scores for the most recent races will be excluded so that all kiteboards have the same number of race scores.
 - f) RRS A5.2 is changed so that the scores are based on the number of kiteboards assigned to the biggest fleet.
- 6.2.3.2 If 4 or more races are completed by each fleet at the end of the Qualifying Series:
- a) Kiteboards will be assigned to fleets gold, silver, bronze etc., based on their Qualifying Series ranking. There will be the same number of fleet in in the Final Series as there were in the Qualifying Series. The Final Series fleets will have, as nearly as possible, equal size and the Gold fleet will not be smaller than any other fleet. Kiteboards with the best Qualifying Series ranks will race all Final Series races in fleet gold, kiteboards with the next-best Qualifying Series ranking will race in fleet silver, etc.
 - b) Any recalculation of rankings after kiteboards have been assigned to Final Series fleets will not affect the assignments except that a redress decision may promote a kiteboard to a higher fleet.
- 6.3 A kiteboard's score will be the total of her race scores except that:
- when from 4 to 6 races have been completed her worst score will be excluded;
 - when from 7 to 10 races have been completed her two worst scores will be excluded;
 - when 11 or more races have been completed her three worst scores will be excluded;
- however, not more than two scores from the Final Series may be excluded.
This changes RRS A2.
- 6.4 When there is a Final Series, kiteboards will be ranked in the order of the kiteboards competing in fleets gold, silver, bronze, etc. This may not apply to a kiteboard disqualified under RRS 6 or 69.
- 6.5 Any division rankings will be established by simple extraction from the overall standings.
- B LONG DISTANCE**
- 6.6 One race for all fleets is required to be completed to constitute an event.
- 6.7 The format will be a Single Series.
- 6.8 The Act Sailing Instructions will describe the scoring system.
- 6.9 Any division rankings will be established by simple extraction from the overall standings.

7 WORLD CUP SCORING

- 7.1 Each discipline and division will be scored separately.
- 7.2 For each SnowKite World Cup event, competitors will score points as follows: The best ranked competitor will receive 100 points, the second-best competitor 99 points etc. If there are more than 100 competitors, every competitor ranked 100 and above receives 1 point.
- 7.3 Competitors not competing in an Event of the 2022 SnowKite World Cup Series will receive 0 points.
- 7.4 The SnowKite World Cup score of a competitor shall be the total of her SnowKite World Cup Event scores without discards.
- 7.5 If there is a tie in the SnowKite World Cup series ranking, it shall be broken according to RRS A8.

8 COURSES, RACING AND COMPETITION AREAS

A RACING

B LONG DISTANCE

- 8.4 Courses will be published in the Act Sailing Instructions.

- 9.5 [DP] When a starting sequence is in progress, kiteboards whose warning signal has not been made shall avoid the starting area. The starting area is defined as an area 150 meters from the starting line and marks in all directions.
- 9.6 [DP] Kiteboards that have finished racing shall sail clear of the finish area.

10 TIME LIMITS AND TARGET TIMES

- 10.1 Time limits and target times, in minutes, are as follows:

Event	Target Time	Time Limit	Mark 1 Time Limit	Finish Time Window
Course Racing	10	20	5	10
Long Distance	120	240	N/A	60

- 10.2 If no kiteboard rounds Mark 1 within the Mark 1 time limit, the race will be abandoned. Failure to meet the target time will not be grounds for redress. This changes RRS 62.1(a).
- 10.3 Any kiteboard failing to finish within the Finish Time Window (time after the first kiteboard starts, sails the course and finishes) will be scored DNF without a hearing. This changes RRS 35, A5.1 and A5.2

The scores of other kiteboards shall not be changed; therefore, two kiteboards may receive the same score. However, the race committee or technical committee may protest a kiteboard when they consider the standard penalty to be inappropriate. A kiteboard that has been penalized with a standard penalty can neither be protested for the same incident by another kiteboard nor can another kiteboard request redress for this race committee action. This changes RRS 60.1, 63.1 and Appendix A5.

23 RISK STATEMENT

- 23.1. In cases of force majeure or on grounds of administrative orders or for safety reasons, the organizing authority is entitled to make changes in the realization of the event or to cancel the event. This does not constitute any liability by the organizer towards the participant, if the reasons for the changes or the cancellation do not result from a willful or grossly negligent behavior of the organizer.

23.2 In case of a violation of obligations that do not constitute primary or material contractual duties (cardinal obligations), the liability of the organizer for financial and property damages incurred by the participant during or in connection with the participation in the event and resulting from a conduct of the organizer, IKA, the involved classes and their representatives, servants or agents (including but not limited to race committee, protest committee and technical committee), is restricted to damages that were caused willfully or grossly negligent. When a violation of cardinal obligations occurs due to minor negligence, the liability of the organizer is limited to foreseeable, typical damages.

23.3 Competitors and support team participate in the event entirely at their own risk and they are reminded of the provisions of RRS 3, Decision to Race. Kiteboarding is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- They acknowledge that there are risks involved in the Event. They fully realise the dangers of participating in the Event, and fully assume the risks associated with their participation and their wellbeing and safety during and after the Event.
- They understand and acknowledge that the Event organisers (including all officials and event volunteers) provide no warranties, regarding their wellbeing and safety.
- They acknowledge that participating in this event may involve a test of a person's physical and mental limits and carries with it the potential for death, serious injury, and property loss. The risks include, but are not limited to, those caused by the elements, facilities, temperature, weather, condition of participants, equipment, vehicular traffic, lack of hydration, and actions of other people including, but not limited to, participants, volunteers, officials, and/or producers of the event.
- They agree that to the extent permissible by law, World Sailing, the International Kiteboarding Association, their classes, the event organisers (including all officials and event volunteers), IKA, the sponsors and other parties associated with the Event, have no liability to them whatsoever for any direct or indirect loss, (including, but not limited to injury or death) sustained by them during or in any way related to their participation in the Event.
- They WAIVE, RELEASE, AND DISCHARGE from any and all liability, including but not limited to, liability arising from the negligence or fault of the entities or persons released, for their death, disability, personal injury, property damage, property theft, or actions of any kind which may hereafter occur to them including their traveling to and from this event, THE FOLLOWING ENTITIES OR PERSONS: World Sailing, The International Kiteboarding Association, their classes, the event organisers (including all officials and event volunteers), IKA, the sponsors and other parties associated with the Event, employees, volunteers, representatives, and agents, and the event holders, sponsors, and volunteers;

- They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- They consent to receive medical treatment which may be deemed advisable in the event of injury, accident, and/or illness during this event.
- They acknowledge that the provision of a race management and rescue team, judges, umpires and other officials and volunteers by the organizer does not relieve them of their own responsibilities;

- They acknowledge that the provision of rescue craft cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

24 [DP] [NP] MEDIA RIGHTS

- 24.1 By participating in the event, competitors automatically grant to the organizing authority, IKA, all involved classes, and their sponsors the right in perpetuity to make, use and show, from time to time at their discretion, any motion pictures and live, taped or filmed television and other reproductions of the athlete during and after the period of the event without compensation.
- 24.2 Competitors shall comply with the Competitor Media Guide (CMG). The CMG will include further information on television production, press conferences, interviews, mixed zones and promotion of the event.

6. For how long do we process your personal data?

We will review your personal data every year to establish whether we are still entitled to process it. If we decide that we are not entitled to do so, we will stop processing your personal data except that we will retain your personal data in an archived form in order to be able to comply with future legal obligations e.g. compliance with tax requirements and exemptions, and the establishment, exercise or defence of legal claims.

7. When do we require your personal data?

If you wish to participate in an IKA event, then we are required to obtain from you certain personal data to allow us to create and administrate it, for example, your name, address, or contact information.
