7. Description Of Incident

At the very start of the gate opening in race six I lined up to make a start through the gate. Tally number 82 came bearing down on me out of control. I had to make a drastic manoeuvre to leeward to avoid contact. As such windward boat number 82 did not give me sufficient room to make my course through the gate. I immediately requested the infringing boat to do turns which they did not at first available opportunity. After approximately two minuets after going through gate I shouted protest and we displayed the red flag. The crew of 82 turned and saw this.
