## 7. Description Of Incident

I won race number one but number 22 crossed the line at same time as me. So I don't think 22 or 44 did two laps as required on the course. I talked with 22 after the race before the next heat and he said he was not part of the first race. But since we crossed the line at the same time I image the jury boat. wrote his number down.

## 8. Damage Or Injury
