## 7. Description Of Incident

Port/Starboard, after we tacked to port and just completed tack starboard boat headed up and was clear we fouled while making an attempt to keep clear the S35 made absolutely no attempt at any point to avoid collision they never even came back to a close hauled course only after they made contact with our starboard aft pulpit did they sail to a close hauled course. We immediately hailed "protest" as we started our turns. We are purely filing for damages and insurance reasons while trying to educate our fellow racers about the rules of racing sailboats.

## 8. Damage Or Injury

Starboard stern pulpit bent and scratched. Hull and deck junction cracked. Still assessing structural damage.
