7. Description Of Incident

Me and cze 80 were approaching the 1 mark, I was close-hauled on starboard, ~20 meters to the mark1. Cze 80 passed my boat on port around 0,5 meters in front. I had enough speed (wind was ~10 knots) to push my boat higher (without changing the tack) and to take the mark. At this time cze 80 tacked to starboard and attacked my boat multiple times. He was out of the lay line. There was a contact, but no damage (as I have quickly seen ashore) I said Cze 80's protest, but he did no further actions.

8. Damage Or Injury
