## 7. Description Of Incident

on the downwind leg i was lee ward boat and slovenia was wind ward boat. i was in front around place 20 and slovenia came from behind. he didnt keep clear and tangled his sheet around my neck, pulling me out of my boat and capsizing. i was really upset and shocked about what happened and i even lost my cap. because the sheet had been tight around my neck i had to catch my breath before i could sail on. this cost me a lot of places and therefore im also asking for a redress
