## 7. Description Of Incident

Race 5 should be abandoned, or average points should be given to all race 5 DNC boats that were out on the race course. I along with 20 plus boats were not giving the chance to compete in race #5. I was at Larchmont Yacht club well early of harbor start Today, there was no way to launch my boat. The dock were the Laser's were launching was backed up. Competitors were bringing there boats down the dock and refusing to leave after getting down there. I heard them say they did not want to tire themselves out. When I was able to launch, I left immediately and sailed as fast as I could to the race area. It was to rough to tow. When I arrived at race area, race 5 was currently underway. My instructor heard other instructors on the radio trying to get the start delayed but the RC said they did not want to wait anymore.
