7. Description Of Incident

With 5 seconds to go before the start 0243 barged into a gap between boat 6622 and the CV which was clearly not large enough. The boat hit both the CV and boat 6622. The action was compounded by boat 0243 deliberately hitting the CV using their tiller at least twice. They also exhibited and extremely aggressive behaviour towards both the CV and sailor 6622. 0243 was very aware of their actions and made no effort to execute penalty turns.
