Other Comment:

7. Description Of Incident

Den 353 was starboard. Swe 969 and GBR 713 was port. GBR was leeward boat and Swe had overlap on GBR. SWE and GBR couldn't manage to cross DEN and had to go behind. GBR did not leave any room for SWE to keep away from DEN so in last second SWE did a tack but Denmarks wing hit all of SWEs ropes in the back of the boat (between the wings). SWE had to stay still until DEN had past.

8. Damage Or Injury

A bungee in the back of the boat broak.
