7. Description Of Incident

226 sailing close to port layline. 226 sailed below line of boats sailing downwind on starboard. 226 avoided a gybe setting boat by sailing to weather despite them being to windward. Shortly after, 900 went into a gybe set directy into the port side of 226. 900 was changing course which did not let 226 avoid. If 900 straight set 226 would have been clear.
