7. Description Of Incident

We have a dsq at the first race of the event.

We were not informed at any time by anybody that we got protested. Not on the water, not onshore, not by phone or email.

After racing we were checking the notice board and we weren't able to see any protest against us, also we were not expecting any protest, of course. We review it to check if we were OCS.

When checking the result again at night we saw the dsq and we reviewed our videos and we found the situation.

For us is important to reopen the hearing to learn from the jury and have the chance to defend ourselves.

The video is clear and you can see that DEN 181 is not breaking any rule, as we understand.

We are very grateful if you consider to reopen the hearing and watch the evidence from the video.

thanks a lot,
sincerely
Helena Wolff
