## 7. Description Of Incident

When there is approximately 1 minute left to start, we are like 4 boats who are getting really close to each other. We are getting closer and closer and when there is 10 seconds left to start GER 221363 takes his hand on my boat and pushes it backwards. After this I lose all my speed and gets stuck in the bad wind from all the boats at the starting boat.

## 8. Damage Or Injury

I got a bad position in the race due to a terrible start that the German guy caused by breaking an extremely important rule.
