## 7. Description Of Incident

During the first race, Polimi went into the race course with their zodiac by following their moth but by doing so they interfered by creating wave that disturbed our navigation. This event lead to the instability of our boat and thus a crash for our boat.

Polimi team has done so even though they were warned by the race committee the day before to be careful around the course and to not enter the race course with their Zodiac.

This event has created some unfairness and a danger situation for our team(mainly our skipper).
