Posting date and time: **06.09.2021 h:10.35**

### Support boat and competitor reminder

Over the last couple of days, we have received some reports of Support Boats being too close to racing boats, particularly around the starting area. We would like to remind you of SI 20.2, which clearly states that all Support Boats must remain 100m away from boats whilst racing, this includes where they might sail whilst manoeuvring. We will be policing this more rigorously during the last two day of the event, but please help us by complying with the stated requirements.

We would also like to remind all sailors that are making their way to that starting area, to respect the boats still racing and ensure that you keep clear of them.
