7. Description Of Incident

We, ESP1332 were sailing on starboard behind one boat aproaching to the first mark on the starboard layline. the boat 1114 was on starboard 20 meter leeward and he decided to tack on the port lay line, we were in colission way in the zone of the first mark. We said starboard many times and he wanted pass between us and the first boat. We had to head up a lot for dont colission and any damage. After we puted the red flag and said protest, he never did the penalty. After this incident, this boat was all the race with us with dont fair play.
