7. Description Of Incident

I was coming on port at the pin mark with Chucho Nonot just below me. Chucho let me really enough place to round the pin mark to take the start, but I choosed to be very near of the pin mark to be the person the most beat of this mark. At the top start, I began to go upwind, but 1/2 second after starting to go upwind, I have seen the water shoot photographer just in front of me. I was going straight on him, so to avoid to put my foil in him, I tried to avoid it by going downwind, but at the same I wanted to avoid the collision with Chucho. So, to avoid any contact with the photographer and Chucho, I put my leading in the water to make an urgency brake. I failed in the water and completely stopped. I catched up my board which was further from me, and when I climbed on it, I said « PROTEST ». I directly pumped to go upwind and make my race.

8. Damage Or Injury
