## 7. Description Of Incident

During the starting sequence of race 3 we gathered a strong line sight on the opposite side of the pin start boat. During the entire starting sequence we were never closer than 2 boat lengths to the line according to our linesight.

We came from the back behind the fleet and accelerated at 3 seconds before the start, and were passed to windward and leeward by 2 boats before the start signal. The boats that passed us did not receive a BFD.

We were very surprised that we received a BFD because we had a bad start and weren't close to the line.
