

R.Y.C.C. Savoia – Napoli

Eastern Hemisphere Championship 2022

Current conditions: the Campania region is currently affected by a weak cyclonic area. The latter will determine an increase in cloudiness, although no rainfall is expected. Actually, the sky is partly cloudy and the winds are very light.

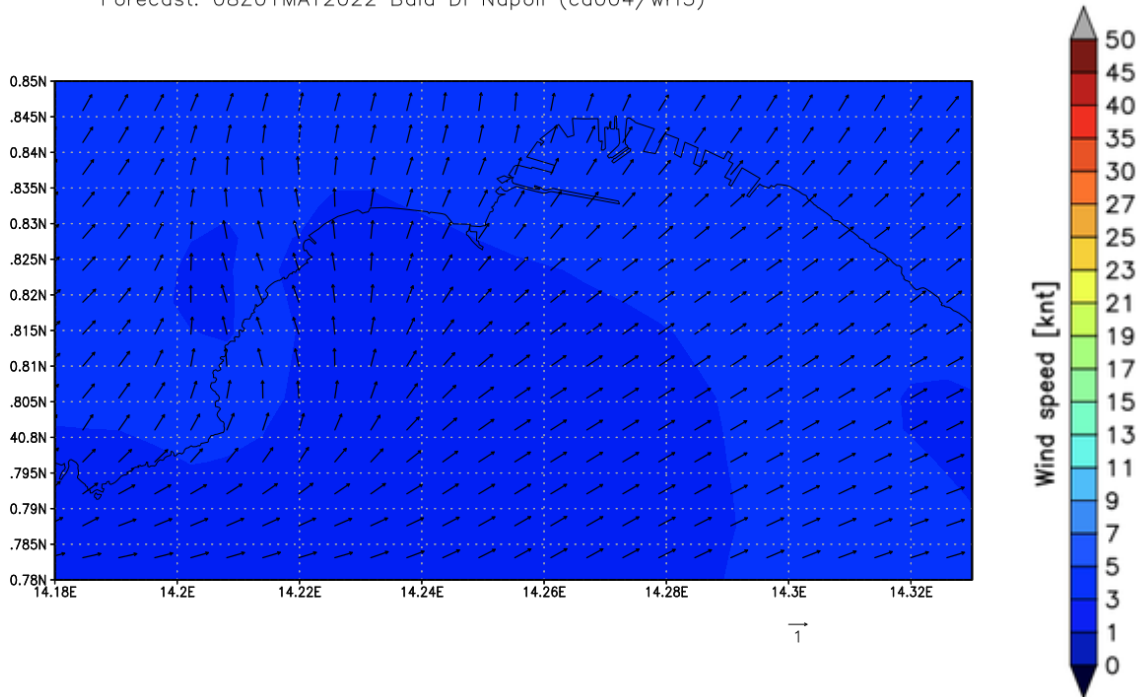

Weather Forecast for May 01, 2022: on race area, partly cloudy or cloudy conditions will occur. The wind regime will be again modulated by the diurnal sea breeze. More specifically, from 01:00 PM the average wind speed will be around 10 knots, with gusts up to 15-18 knots. The winds will blow from south-western. Air temperature will be between 17 and 20°C. Calm to smooth sea is expected.

Hourly table forecast for the race area

Hour (Local)	Sky conditions	Air-temperature (°C)	Average wind (direction and speed)	Significative height (m)
10:00 AM		17	SW – 2 knots	< 0.1
