7. Description Of Incident

I was third, we are jibing on the same time with maeder,
We complete both the gibe to make the final reaching,
When Axel Mazella arrive full speed portack and try to jibe and on the same time we have contact
between us 3, our kite was on the water, I have one line cut, and the kite pulling me and my face
was in the water and I couldn't breath and the bridle of maeder pulling me down, I breath some
water,
So I vomit, and they want me to go to hospital,
The guard take me back to shore...

I couldn't finish the race,
I didn't have a spare 23 kites,
I ask redress the place I was 3,
Thank's a lot
