7. Description Of Incident

After the start the jury was whistling but it wasn't clear who he was whistling to. I even shouted to him: "Me?" But I didn't get an answer. After that I started doing the penalty but after I did a 360 I noticed that he keeps whistling and pointing his flag to the same direction and the guy above me started doing the penalty so I stopped doing it because I thought the penalty was for the guy above me and I didn't hear my sail number.
