## 7. Description Of Incident

Protestee was not overlapped with me upon entering the *zone*. While approaching the mark inside the *zone* at about half a boat length from the mark, protestee acquired overlap between me and the mark to my windward side. Despite the fact that I was yelling "no room," protestee decided to proceed rounding the mark inside of me instead of letting out her sail to slow down and give me *mark-room*. Anthony (AJ) Laurent USA220310 was approximately three boat lengths behind us and witnessed the incident in it's entirety.

## 8. Damage Or Injury

No damage or injury was caused.
