## 7. Description Of Incident

We were sailing on starboard approaching the 2P mark and went ahead of SWE 2892 who were sailing on port. In the three boat lands we gybed and were on port trying to go around the mark when suddenly SWE 2892 squeezed in. We tried to avoid the contact so we better way it was too late. We crashed and than shouted "protest SWE 2892" three times. They did not do any penalty.
