1. The OA will award a prize to the top “Corinthian Sailor” at the Championships. This notice defines the eligibility requirement for this prize, and how sailors should indicate they meet this requirement and wish to compete for this prize.
2. A Corinthian Sailor is a sailor who would, on 2 September 2021, be categorised as Group 1 under World Sailing’s Competitor Categorisation Code  
<https://www.sailing.org/tools/documents/2020WSRegulationsAppendix4-%5b26550%5d.pdf>.
3. **In summary, a Group 1 sailor is one who takes part in racing only as a pastime, and has not undertaken one of the activities listed in paragraph 5 below within the last 2 years.**

Competitors under 18 are always Group 1. For competitors under 22, or aged 70 or over, the above period is reduced to 100 days.

4. If you believe you are a Corinthian Sailor, to compete for this prize you must register on the link above by end of 5 September 2021.

The OA shall accept this as valid unless it learns of a reason why you might be categorised by World Sailing as Group 3.

### 5. The following activities put a sailor into Group 3:

- a. being paid to compete in a race
- b. competing on a boat having been paid for work that prepared the boat for racing (eg coach / maintain / provide the boat or sails)
- c. being paid for work in a marine business which involves a skill that can then enhance a boat's racing performance and can be used by the sailor when racing
- d. paid to coach sailors in national or provincial teams, or sailors preparing for or competing in events such as OG & qualifiers, AC, WS events, Regional Games.
- e. paid for allowing name in conjunction with sailing performance to be used to promote products.
